

Welcome to Lobster Class

We hope you've had a great summer break and are as excited as we are to come back to our wonderful school!

We have been very busy at school enhancing our environment and planning lots of exciting learning, trips and opportunities for the year ahead and you will find out about them all in due course.

If ever you have any questions, please make sure you speak to one of the team via Dojo or arrange an appointment through the office to come and have a meeting.

Reading: At Salcombe, reading is a priority, and we are aiming for children to read every night at home. Their reading book needs to be in school **every day, even if your child hasn't finished reading it** so we can continue to embed this habit at school as well. Each time a child reads 5 times a week at home, they will be entered into a raffle to win a book on a termly basis. In class this term, we are reading 'Riddle of the Runes' by Janina Ramirez.

PE: is on Tuesdays. Please ensure your child is in their PE kit at the start of the day ready for the afternoon.

*We can't wait to work
with you!*

Miss Dickinson (Monday – Thursday)

Miss Bond Friday

The Lobsters Team

Spellings: Ten spellings will be given out on a Friday and be tested the following Friday. They will be linked to a spelling rule that has been learnt that week or to the words that have to be learnt as detailed in the National Curriculum.

Times Tables: It is an expectation that your child completes TTRS throughout the week either online or a paper-based version.

As writers, this term we will be exploring an information text on the 'Vikings'. Each class member will explore and write about three different aspects of Viking life and publish them for Salcombe Maritime Museum.

As athletes, this term we will be rugby players.

As philosophers, this term we will be 'being me in my world'.

As geographers, this term we will be understanding where our food comes from

As theologists, this term we will be learning about Christianity.

Here is a snapshot of our curriculum in Autumn 1. We look forward to welcoming you into school soon to see it in action!

As designers, this term we will be focusing on textiles. We will be combining different fabric shapes to design an upcycled piece of clothing to wear for a fashion show.

As musicians, this term we will be inspired by Electronic Dance and will learn about improvisation, composition, notation, and singing. Inspired by Electronic Dance Music.

As scientists, this term we will be learning about living things and their habitats. We will be looking at the differences in life cycles of a mammal, an amphibian, an insect and a bird and describing the life process of reproduction in some plants and animals

As mathematicians, this term we will be learning about place value, addition and subtraction, measurement, multiplication and division, along with fractions.
