

Welcome to Lobster Class

We hope you've had a great half term and are as excited as we are to come back to our wonderful school!

We have been very busy at school continuing to enhance our environment and planning lots of exciting learning, trips and opportunities for the remainder of this year. We look forward to sharing details of these with you in due course.

If ever you have any questions, please make sure you speak to one of the team or arrange an appointment through the office to come and have a meeting.

Reading: At Salcombe, reading is a priority, and we are aiming for children to read every night at home. Their reading book needs to be in school **every day, even if your child hasn't finished reading it** so we can continue to embed this habit at school as well. Each time a child reads 5 times a week at home, they will be entered into a raffle to win a book on a termly basis. In class this term, we are continuing reading 'Riddle of the Runes' by Janina Ramirez. **PE:** is on Tuesdays. Please ensure your child is in their PE kit at the start of the day ready for the afternoon.

We can't wait to have a fantastic term with you!

Miss Dickinson (Monday – Thursday)

Miss Bond Friday

The Lobsters Team

Spellings: Ten spellings will be given out on a Friday and be tested the following Friday. They will be linked to a spelling rule that has been learnt that week or to the words that have to be learnt as detailed in the National Curriculum.

Times Tables: It is an expectation that your child completes TTRS throughout the week either online or a paper-based version.

As writers, this term we will travel back to the time of the Vikings! We'll create our own Viking sagas (stories full of adventure, bravery, and tricky dilemmas). Together, we'll learn how to build tension, develop characters, and write like real Viking storytellers!

As athletes, this term we will be exploring the world of dance!

As philosophers, this term we will be celebrating differences.

As historians, this term we will be delving deeper into the world of the Vikings, uncovering whether they were raiders, traders or something else.

As theologists, this term we will be learning about Why do Christians believe that Jesus was the Messiah?

Here is a snapshot of our curriculum in Autumn 2. We look forward to welcoming you into school soon for another 'Learning with us' afternoon.

As artists, this term we will be channelling 'Cath Riley' and learning how to draw a dragon's eye.

As musicians, this term we will be looking into the language of music, theory and composition.

As scientists, this term we will be learning about forces and space, investigating gravity, friction, air and water resistance and their effects.

As mathematicians, this term we will be learning about measurement, multiplication and division, along with fractions.
