

Welcome to Lobster Class

Welcome back! We hope you've had a great half term and are as excited as we are to come back to our wonderful school!

We have been very busy continuing to enhance our environment and planning lots of exciting learning, trips and opportunities for the remainder of this year. We look forward to sharing details of these with you in due course.

If ever you have any questions, please make sure you speak to one of the team or arrange an appointment through the office to come and have a meeting.

Reading: At Salcombe, reading is a priority, and we are aiming for children to read every night at home. Their reading book needs to be in school **every day, even if your child hasn't finished reading it** so we can continue to embed this habit at school as well. Each time a child reads 5 times a week at home, they will be entered into a raffle to win a book on a termly basis. In class this term, we are continuing reading 'Riddle of the Runes' by Janina Ramirez. **PE:** is on Tuesdays. Please ensure your child is in their PE kit at the start of the day ready for the afternoon.

We can't wait to have a fantastic term with you!

Miss Dickinson (Monday – Thursday)

Mrs Blake Friday

The Lobsters Team

Spellings: Ten spellings will be given out on a Friday and be tested the following Friday. They will be linked to a spelling rule that has been learnt that week or to the words that have to be learnt as detailed in the National Curriculum.

Times Tables: It is an expectation that your child completes TTRS throughout the week either online or a paper-based version.

As writers, we will be turning our hand to creating a modern fairytale. We cannot wait for you to see the amazing, magical story your child creates.

As athletes, this term we will be exploring our invasion skills through the game of netball.

As philosophers, this term we will be looking at our dreams and goals.

As historians, this term we will be uncovering the wonderful world of monarchs and all they did for England.

As theologists, this term we will be asking ourselves the following question: Why is the Torah so important to Jewish people?

Here is a snapshot of our curriculum in Spring 2. We look forward to welcoming you into school soon for another 'Learning with us' afternoon.

As designers we will be looking into cooking and nutrition and asking ourselves what a healthy, varied diet looks like.

As computerists we will be looking at the repetition of shapes with regards to programming, all the while ensuring we are using the internet safely.

As scientists, this term we will be continuing to learn about the classification of animals before turning our hand to Energy and the wonderful world of batteries and circuits.

As mathematicians, this term we will be learning about decimals, measurement, geometry and percentages.
