

Welcome to Lobster Class

Welcome back! We hope you've had a great Easter break and are as excited as we are to come back to our wonderful school!

We have been very busy continuing to plan lots of exciting learning, trips and opportunities for the remainder of this year. We look forward to sharing details of these with you in due course.

If ever you have any questions, please make sure you speak to one of the team or arrange an appointment through the office to come and have a meeting.

Reading: At Salcombe, reading is a priority, and we are aiming for children to read every night at home. Their reading book needs to be in school **every day, even if your child hasn't finished reading it** so we can continue to embed this habit at school as well. Each time a child reads 5 times a week at home, they will be entered into a raffle to win a book on a termly basis. In class this term, we are continuing reading 'Riddle of the Runes' by Janina Ramirez.
PE: will now take place on **Friday**. Please ensure your child is in their PE kit at the start of the day ready for the afternoon.

We can't wait to have a fantastic term with you!

Miss Dickinson (Monday – Thursday)

Miss Bond Friday

The Lobsters Team

Spellings: Ten spellings will be given out on a Friday and be tested the following Friday. They will be linked to a spelling rule that has been learnt that week or to the words that have to be learnt as detailed in the National Curriculum.

Times Tables: It is an expectation that your child completes TTRS throughout the week either online or a paper-based version.

As writers, we will be turning our hand to creating a mysterious and spectacular setting description.

As athletes, this term we will be exploring our hand eye coordination and sportsmanship in learning the game of Rounders.

As philosophers, this term we will be looking at being as Healthy as possible.

As geologists, this term we will be looking at the human and physical features in the local area, sketch maps, plans and graphs.

As theologists, this term we will be asking ourselves the following question: What does it mean to be a humanist in Britain Today?

Here is a snapshot of our curriculum in Summer 1. We look forward to welcoming you into school soon for another 'Learning with us' afternoon.

As artists this term we will be looking to create a festival feast sculpture.

As computerists we will be looking into audio production. How to create and evaluate a piece created by us.

As scientists, this term we be learning about Energy. We will be looking into fascinating world of circuits, batteries and switches.

As mathematicians, this term we will looking at a whole host of topics including, but not limited to, decimals, reflection, rotation, line graphs and time.
