

Welcome to Lobster Class

Welcome back! We hope you've had a great half term and are as excited as we are to come back to our wonderful school!

We have been very busy continuing to plan lots of exciting learning, trips and opportunities for the remainder of this year. We look forward to sharing details of these with you in due course.

If ever you have any questions, please make sure you speak to one of the team or arrange an appointment through the office to come and have a meeting.

Reading: At Salcombe, reading is a priority, and we are aiming for children to read every night at home. Their reading book needs to be in school **every day, even if your child hasn't finished reading it** so we can continue to embed this habit at school as well. Each time a child reads 5 times a week at home, they will be entered into a raffle to win a book on a termly basis. In class this term, we are continuing reading 'Riddle of the Runes' by Janina Ramirez.

PE: will now take place on **Monday** as we prepare for Sports day and our swimming lessons. Please ensure your child is in their PE kit at the start of the day ready for the afternoon.

We can't wait to have a fantastic term with you!

Miss Dickinson (Monday – Thursday)

Miss Bond Friday

The Lobsters Team

Spellings: Ten spellings will be given out on a Friday and be tested the following Friday. They will be linked to a spelling rule that has been learnt that week or to the words that have to be learnt as detailed in the National Curriculum.

Times Tables: It is an expectation that your child completes TTRS throughout the week either online or a paper-based version.

As writers, we will be delving into the exciting world of WW2 to write our very own flashback narrative.

As athletes, this term we will be working on our athletics for Sport's day and swimming technique and confidence.

As philosophers, this term we will be continuing to look at our changing bodies with a focus on sex and relationship education. **Look out for a letter on this.**

As historians this term we will be learning about the fascinating details of World War 2.

As theologists, this term we will be asking ourselves the following question: What can be done to reduce racism and can religion help.

Here is a snapshot of our curriculum in Summer 2. We look forward to welcoming you into school soon for another 'Learning with us' afternoon.

As artists this term we will continue to look at creating a festival feast sculpture.

As musicians we will be looking to develop ensemble and vocal skills by performing rounds and songs with accurate pitch, rhythm, and expressive dynamics.

As scientists, this term we be learning about how humans change from a baby through to old age, including puberty, measurements of growth and gestation periods.

As mathematicians, this term we will looking at a whole host of topics including, but not limited to, perimeter and area, reading scale and negative numbers.
