

Welcome to Prawn Class

Welcome back to all our children and families—we hope you've had a wonderful, restful Christmas and New Year, and we look forward to a happy term ahead together.

Please ensure you are using our lending library by the hall and in the playground.

If you have any questions or concerns, please do speak to one of the team **or arrange an appointment through the office to come and have a meeting.**

Reading: At Salcombe, reading is a priority, and we are aiming for children to read every night at home. Their reading book needs to be in school **every day**, so we can continue to embed this habit at school as well. Each time a child reads 5 times a week at home, they will be entered into a raffle to win a book on a termly basis. If your child is in foundation, please support them in sounding and blending the words together. We will be changing books on a Friday! You will also be able to access your child's ebook online.

PE: is on Tuesdays. Please ensure your child's PE kit is in school ready for this.

We can't wait to work
with you!

The Prawn Team

Spellings:

Spellings will be given out to Year 1 children only. 5 words each Friday, please support your child in completing the sheet by the following Friday.

Numbots:

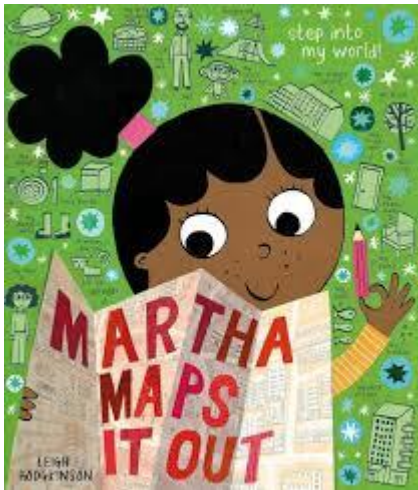

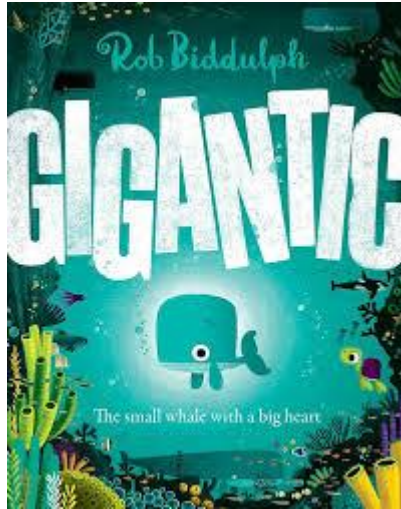

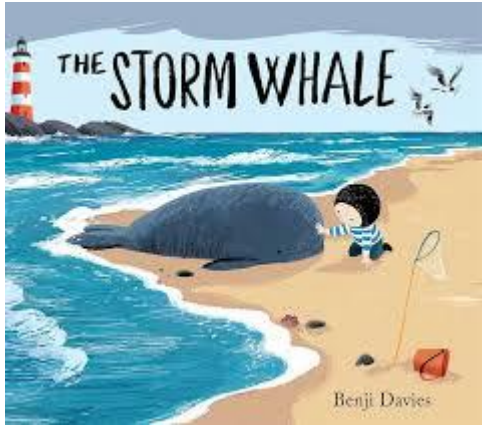

Each child has a numbots login, please support your child in working through some of the questions.

Forest School: Your child's Forest School session will be on Thursday. Please ensure they have their kit in school ready for this.

Our focus texts this term we will be:

- This term we are going to be looking at a key text over the course of a couple/ few weeks to enable us to immerse ourselves within the text.

We are working hard to ensure that our Reception children are supported in meeting the Early Years Foundation Stage (EYFS) outcomes, with a focus on aspiring to achieve a Good Level of Development (GLD) by the end of the year. Through thoughtfully planned enhancements and carefully woven opportunities within the classroom environment, we aim to provide rich, engaging experiences that promote learning across all areas. These intentional approaches allow children to develop key skills and knowledge while fostering curiosity, independence, and a love of learning.

Curriculum: We will be supporting the transition of our Year 1 children by carefully planning learning opportunities that are rooted in the Year 1 National Curriculum objectives. This will be delivered through teacher led inputs and continuous provision, ensuring that children can access and apply their learning in a purposeful and engaging way. Our thoughtfully designed environment will provide a balance of structure and independence, enabling pupils to feel secure, develop confidence, and thrive as they progress through their Year 1 journey.

As writers, this term we will be exploring three books to inspire our writing. We are starting off with The Storm Whale and then moving on to Gigantic. Finally looking at Martha Maps it out.

As computerists, this term we will be exploring digital art and moving a robot.

As artists, this term we will be studying portraits.

As gymnasts, this term we will be looking at how we can bend and move our bodies.

As philosophers, this term we will be exploring a unit about dreams and goals.

As geologists this term we will be looking at The United Kingdom and looking to see what makes the UK. Countries, capital cities, surrounding oceans and looking to see what is the difference between human and physical features.

Here is a snapshot of our curriculum in Spring term 1. We look forward to welcoming you into school soon to see it in action!

As musicians, this term we will be looking at 'in the groove' and how we can find rhythm and pulse.

As scientists, this term we will be exploring animals including humans and looking at all the different parts of the body.

As theologists, this term we will be studying Being Special: Where do we belong?

As mathematicians, this term we will be focusing on place value. Building on this with adding two numbers together to cross 10.
