

Welcome to Prawn Class

We hope you've had a great summer break and are as excited as we are to come back to our wonderful school!

We have been very busy at school enhancing our environment and planning lots of exciting learning, trips and opportunities for the year ahead and you will find out about them all in due course.

If ever you have any questions, please make sure you speak to one of the team or arrange an appointment through the office to come and have a meeting.

Reading: At Salcombe, reading is a priority, and we are aiming for children to read every night at home. Their reading book needs to be in school **every day**, so we can continue to embed this habit at school as well. Each time a child reads 5 times a week at home, they will be entered into a raffle to win a book on a termly basis. If your child is in foundation, please support them in building words and practising sounds. We will be changing books on a Friday! You will also be able to access your child's ebook online.

PE: is on Tuesdays. Please ensure your child's PE kit is in school ready for this.

We can't wait to work
with you!

The Prawn Team

Spellings:

Spellings will be given out to Year 1 children only. 5 words each Friday, please support your child in completing the sheet by the following Friday.

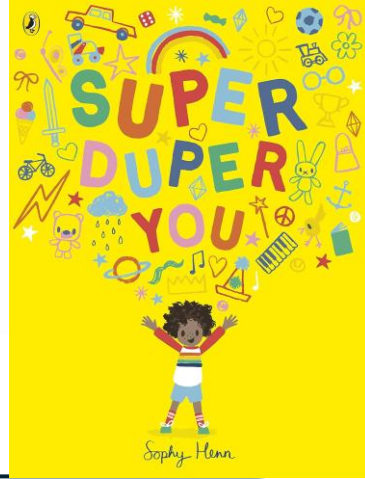

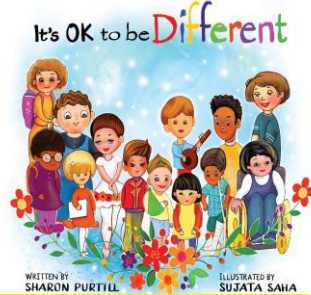

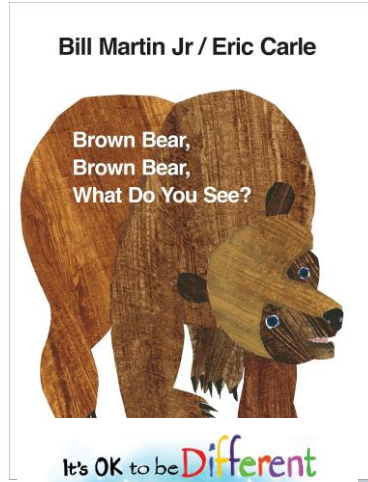

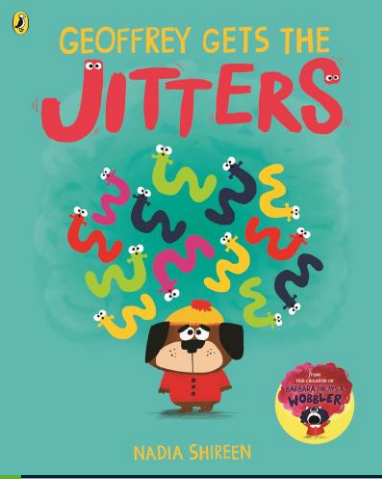

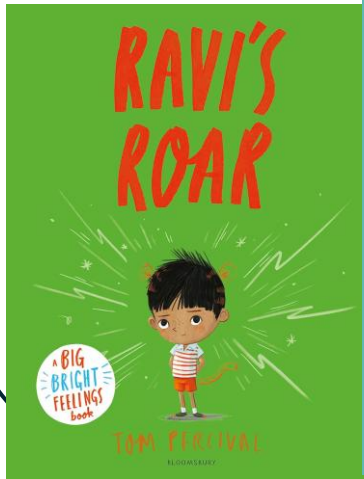

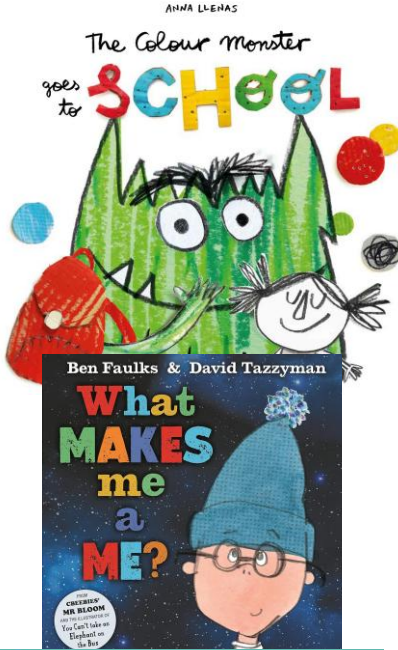

Numberbots:

Each child has a numberbots login, please support your child in working through some of the questions.

Forest School: Your child's Forest School session will be on Thursday. Please ensure they have their kit in school ready for this.

Our focus texts this term we will be:

Come and Read: We are thrilled to invite you to join in the classroom for a special reading time with your child! Starting next week, we welcome you to come in each morning for the first 20 minutes of the day to read together. This is a wonderful opportunity for you to share in your child's reading journey, encourage a love for books, and spend some quality time together in a relaxed environment. The dates for this half term will be **Friday 3rd October and Friday 17th October**. These sessions will be from 8:35am – 8:55am.

Curriculum: We will be supporting the transition of our Year 1 children by carefully planning learning opportunities that are rooted in the Year 1 National Curriculum objectives. This will be delivered through continuous provision, ensuring that children can access and apply their learning in a purposeful and engaging way. Our thoughtfully designed environment will provide a balance of structure and independence, enabling pupils to feel secure, develop confidence, and thrive as they progress through their Year 1 journey.
